

WELCOME TO THE CUT

A great wine is an expression of nature and place; a meeting of art and science in the hands of the winemaker. The following wines have been selected because of their authentic expression and ability to pair with our food.

From the traditional houses whose determination and view helped put Australia on the wine map, to the more 'up & coming' producers and regions, you are sure to find something to suit your tastes and delight your senses.

Cheers!

THE CUT COCKTAILS - BRACERS

Bracers are short, sharp and stimulating mixtures designed to lift you from your seat.....

Bees knees **\$20**

Gin, Lemon, Honeywater, Orange Bitters

Originated some time during the prohibition era. Many believe the honey was used to mask the flavour of bathtub gin.

Charlie Chaplin **\$20**

Tanqueray Gin, Apricot Liqueur, Sloe Gin and Lime

First published in A.S. Crockett's Old Waldorf Bar Days, this was named in honour of the famous actor but it is unclear whether it was ever a favourite of the man himself. We have changed the ratio a little to allow for an extra kick of juniper

Mary Pickford **\$20**

White Rum, Pineapple, Lime, Grenadine, Maraschino

The 1920's drew many thirsty Americans to Cuba. One story tells of Mary Pickford, "American's Sweetheart" of silent film fame, travel to Havana in 1922 where this drink was named for her

Royal Bermuda Yacht Club **\$20**

Blend of Light and Dark Rums, Lime, Cointreau, Falernum

A Trader Vic (aka Victor Bergeron) original first published in his 1947 bartenders guide. A spiced up tiki-fied daiquiri

Champs Elyse **\$20**

VSOP Cognac, Lemon, Chartreuse, Sugar and orange bitters

Originally listed in the Savoy Cocktail Book as a portion enough for six people, it easily scales down to create an elegant combination of French flavours with citrus.

THE CUT COCKTAILS – COCKTAILS AND LONG DRINKS

Sometimes you need something long and refreshing or a cocktail for that 'just released from prison feeling'. Either way we've got you covered.

Southside Fizz

\$20

Gin, Lime, Mint, Soda

Featured in Hugo R Ensslin's 1917 "Recipes for Mixed Drinks", this cocktail could be the original "Gin Mojito"

Russian Spring Punch

\$22

Vodka, Raspberries, Lemon, Cassis, 2009 Jansz 'Late Disgorged' Brut

Created in London the late 1980's by the late Dick Bradsell for a private cocktail party in Kensington. Our version is invigorated by the addition of fresh raspberries.

Daisy De Santiago

\$21

Pampero White Rum, Lime, Sugar, Chartreuse, ornamented with fruits in season

In Charles H. Baker's "Jigger, Beaker & Glass" he describes this drink as "a lovely thing introduced to us through the gracious offices of the late Facuno Bacardi, of lamented memory". Fond and kind words from a fairly "opinionated" bon vivant of the 30's

Paloma

\$21

Blanco Tequila, Grapefruit, Grapefruit Oleo Saccharum, Lime, Soda

The true nature of Mexican drinking culture. Reportedly created by Don Javier Delgado Corona, beloved owner of La Capilla in the town of Tequila.

THE CUT COCKTAILS - FANCY COCKTAILS

Feeling adventurous? These cocktails are designed to delight and stimulate using carefully balanced ingredients. This is real serious stuff.

White Russian

\$19

Ketel One Vodka, Mr Black Cold Drip Coffee Liqueur, Coco-pop Cereal Milk

While its origins are up for debate, there is no argument that the success of this cocktail is firmly rooted in the Coen Brothers Film "The Big Lebowski"

Rusty Nail

\$20

Johnnie Walker Black Label, Islay Single Malt, Drambuie, Orange Bitters

According to King Cocktail, Dale DeGroff it was created by some "clever bartenders" at the 21 Club in Manhattan sometime in the early 1960's.

Rosita

\$22

Campari, Sweet Vermouth, Tequila, Choc Bitters

Gary Regan, renowned cocktail historian, is credited with reviving this cocktail printed originally in 1988 "Mr Boston Official Bartenders Guide"

Diamond Back

\$21

Bulleit Rye, Applejack, Chartreuse, Orange Bitters

This high-octane classic, which appears in Ted Saucier's 1951 Bottoms Up, was named after the Diamondback Lounge in Maryland's Lord Baltimore Hotel.

If a classic Martini is more your thing, see our Vodka & Gin list on page 25 for a full list of possibilities & if your favourite classic cocktail or mocktail is not listed, our charming & knowledgeable bartenders will happily shake it up, just for you. Cheers!

MOCKTAILS

Sour Almond Fizz

\$12

Orgeat, Pomegranate Molasses, Lemon Juice, Lemonade

Our virgin Amaretto Sour.

Strawberry Sunset

\$12

Strawberries, Raspberry Syrup, Cranberry Juice, Mint

A fresh, fruity & delicious non-alcoholic Mojito.

The Splash

\$12

Caramel Syrup, Pineapple, Lime, Orange juice

Savour the refreshing Caribbean flavours.

--	----------------	----

Brunello di Montalcino is made exclusively from Sangiovese grapes, which is locally named 'Brunello' from the region of Montalcino (a wonderful village in the province of Siena, in the heart of Tuscany).

Pian delle Querci stretches for 50 hectares, with 6ha of Brunello DOCG. This wine is aged for three years in new 500l Slovenian barrels and mature for another year in bottle. It's got lifted aromas of red cherries, dried berries and figs with notes of cedar and game. Juicy mid palate and fine, super persistent tannins that lead to a long and pleasant aftertaste.

SKIN CONTACT WHITE WINES

These wines were allowed some maceration time, made a little bit like a red wine.

The contact of the grape juice with the skins before or during fermentation promotes extraction of flavours and phenolic compounds that give these wines an extra dimension of colour, body, flavour and texture.

They are great food wines, slightly grippy, aromatic and very flavoursome!

SINGLE MALT WHISKY (30ML)

Highlands and The Islands – This land of rugged peaks is geographically the largest of the whisky producing regions.

The Central Highlands malts are usually smooth, with honey/floral notes, while in the West Coast the maritime (seaweed, iodine) influence is recognisable becoming stronger as you move towards The Islands.

Speyside – The lush, fertile valley of the River Spey is undoubtedly the heart of single malt whisky distilling in Scotland. Its classic flavours of honey, vanilla and fresh fruits (apples, pears) combine to create whiskies that are both sophisticated and elegant. With age, and especially when matured in sherry casks, they evolve to deliver dried fruit and sweet spice flavours.

Glenfiddich <i>21 years old</i>	Speyside	33.5

Lowlands – The terrain is characterised by rolling fields and the softer landscape is mirrored in the region's single malts which tend to be lighter in both colour and body, than those of the Highlands. With little or no peat used in the drying of the malt, the whiskies distilled here are generally fresh and light, fragrant and floral with cereal/grassy notes.

Glenkinchie <i>12 years old</i>	Lowland	15.5
Auchentoshan <i>12 years old</i>	Lowland	15.5

Islay and Skye – Rugged, windswept and barren; Islay is called by some 'The Whisky Island' due the concentration of distilleries.

The malts found in these two islands are unmistakably powerful; with smoky, peaty aromas and flavours, complemented by maritime (seaweed, iodine) and peppery complexity.

Campbeltown - Once home to more than 30 distilleries, these days the town is home to just three: Springbank, Glengyle and Glen Scotia.

Whiskies from Campbeltown tend to have a little peat and salt to them, and are generally medium to full body.

Springbank <i>Gaja Barolo Finish</i>	Campbeltown	29.5

The Hakushu

The Hakushu Distillery was founded half a century after Yamazaki. Keizo Saji inherited his father's vision in his quest for innovation and constructed this second Suntory distillery in 1973.

From the Hakushu distillery in the foothills of Mount Kaikomagatake comes their Distiller's Reserve single malt whisky, a no-age-statement expression, that captures the smoky, herbaceous characteristics of their whiskies.

The Hakushu <i>Distiller's 12 years old</i>	Hokuto, Japan	18.5

Australia

As the driest inhabited continent on earth, Australia may not seem a logical country for producing whisky; but with rich natural resources and a long history of distillation expertise, Australia is making some truly exceptional single malt whiskies.

With pristine clean water, the highest quality malted barley, and abundant peat bogs in the cool-climate Tasmanian highlands... it's little wonder Australia is attracting global recognition for single malt whisky production.
